### ABSENCES

#### Absences:

According to state policy, students are not permitted to have more than 10% of the total school days of absences (18 days) during the academic year. This limit includes absences due to personal illness and/or travel days off. Students who exceed the allowed number of absence may be retained at their current grade-level and their reports cards may not be processed at the end of the year.

#### Tardiness:

Regular school attendance and punctuality are essential for a successful school experience. Coming to school 10 minutes after *your child's designated time* is considered tardy. Tardiness is recorded. An accumulation of 5 tardy days will result in a one-day absence on the student's attendance record.
